October 27, 2020

Hello valued Paducah Recreation Center member,

We wanted to reach out today to make you aware of some changes regarding class reservations at the Paducah Recreation Center. Beginning in November, reservations will not be mandatory to attend a class at the Paducah Recreation Center. However, if you wish to ensure your place in one of the nine available spots, we still recommend you call within 48 hours (two business days) to reserve your spot. However, if there are still spots available after reservations, walk-ins will be welcomed. Please know that if you decide to attend a class via walk-in and the class has all nine spots filled, staff will not allow additional members to attend the class.

Additionally, we wanted to let our members know that we are still unable to host Open Gym's with the current guidelines and restrictions. We hope to be able to allow Open Gym's in the near future and will keep everyone posted once we are able to hold Open Gym's again.

Finally, attached is the November 2020 Rec Center monthly class calendar. The Paducah Recreation Center will be closed Thursday, November 26th through Sunday, November 29th to observe the Thanksgiving holiday.

Thank you for your continued patience. If you have any questions or concerns regarding the Paducah Recreation Center class, please contact us at 270-444-8508 or e-mail parkinfo@paducahky.gov.

Thank you,

Paducah Parks & Recreation
