New Program on Government Channel 11: *Your City at Work*

PADUCAH, KY— Government 11, the governmental access channel of the City of Paducah, has a new program that will start airing Thanksgiving week called *Your City at Work*. The program is hosted and produced by Pam Spencer, Public Information Officer for the City of Paducah. Dan Sheppard of West Kentucky Community and Technical College is the photographer, director, and editor for the program with the assistance of Tammy Thompson.

Spencer says, "I want to produce a show that allows the citizens of Paducah to meet the City's employees and see the services and projects out in the field. Plus, I don't mind getting muddy and dirty. I want to know what the employees do each day to keep this beautiful city running."

In this episode of *Your City at Work*, Pam Spencer follows the Public Works Department through the City's leaf collection season. Leaf collection bags are provided to citizens of Paducah. The episode shows what happens to the bagged leaves once they are collected and dropped off at the Compost Facility on North 8th Street. Spencer also gets to work with the crew of a vacuum truck as the crew cleans leaves out of ditches and catch basins. Larry Coley, Public Works Streets Division Supervisor, and Mike Orenduff, Solid Waste Superintendent, are interviewed in this episode.

Your City at Work begins airing Monday, November 24, 2008. It can be seen Monday at 9:00 a.m., Thursday at 5:00 p.m., and Saturday at 9:00 a.m. and 8:00 p.m. For more information about *Your City at Work* or other programming on Government 11 produced by West Kentucky Community and Technical College, call Tom Butler at 534-3208 or Pam Spencer at 444-8669. Program information, video uploads, and schedules also are available at <http://paducahky.gov/paducah/government-channel-11>.
