Government Channel 11: *City Profile, State of the City Address*

PADUCAH, KY— The Paducah City Commission recently purchased the Executive Inn, land for a sports park, and a pavilion. Those are three topics that Mayor Bill Paxton discusses in this episode of *City Profile*, the program hosted by Tom Butler, West Kentucky Community & Technical College TV Production Coordinator. *City Profile* can be seen on Government 11, the governmental access channel of the City of Paducah.

In this episode of *City Profile*, Mayor Paxton presents his State of the City Address to viewers while allowing Butler to ask questions. This format provides an opportunity to provide detailed explanations. This presentation of the State of the City is similar to the one presented at the January 2010 Paducah Area Chamber of Commerce Power in Partnership Breakfast. For the past several years, the Mayor and McCracken County Judge-Executive Van Newberry have presented their State of the City and County addresses at the Chamber breakfast.

Mayor Paxton divides his State of the City address into two main categories: Quality of Life and Economic Development. Some of the topics presented in the State of the City Address include an explanation of the Investment Fund, riverfront redevelopment, the ice skating rink, expansion of the greenway trail, new and expanding businesses in Information Age Park, and the expansion of higher educational opportunities in Paducah.

City Profile, State of the City Address can be viewed on Government Channel 11 starting Saturday, January 16 at 8:00 p.m. It also airs Monday, January 18 at 10:30 a.m.; Wednesday, January 20 at 9:00 p.m.; Friday, January 22 at 9:30 a.m., and Saturday, January 23 at 8:00 p.m.

Government Channel 11 program information, videos, news releases, and schedules are available at www.paducahky.gov. A low-resolution video of this episode is available on the website.
