### Executive Inn Phase II Project—Convention Center Wall Restoration

In order to expedite the project and allow the contractor to begin ordering materials, the City Commission held a called meeting at 12:30 p.m. today to vote on the ordinance for a contract with Ray Black & Son, Inc. for the second phase of the Executive Inn project. The ordinance was introduced at the Commission's February 15 meeting. The Commission approved the ordinance which accepts the recommendation by PRDA (Paducah Riverfront Development Authority) to award Ray Black and Son, Inc. of Paducah the contract in the amount of \$875,500. The first phase was the liquidation and demolition of the hotel. The second phase is the restoration of more than 400 feet of the exterior wall of the Julian Carroll Convention Center that was connected to the hotel. The bid by Ray Black and Son, Inc. is the lowest base bid out of the five bids opened on February 8. The PRDA board met to discuss the bids on February 10. The project will be substantially complete by April 22.
